Dear Author:

The strength of Oceana Publications, Inc. to our diverse worldwide customer base is the excellent commentaries and analyses written by distinguished firms like yours that comprise many of our titles. We are most appreciative of the work you contribute to one or more of the above-listed Oceana treatises. Subscribers find these works invaluable.

In addition to the prestige derived from your connection to these treatises, there are additional benefits of your participation. In case you are not aware of them all, permit me to recap each for you.

Advantages of being a contributing firm to an Oceana publication:

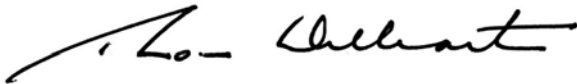

- 📖 International distribution of your work product to professionals, businesses and organizations through out the world
- 📖 Five (5) copies of your chapter/booklet free of charge each time it is revised and released
- 📖 A one-time contributors **40% discount off** the purchase price for the full set to which you contribute -- *Digest of Commercial Laws of the World*, *Trademark Practice and Forms*, or *World Online Business Law*. . . Plus, if you maintain standing order you are entitled to 10% discount off the release prices for one copy or more to be used by your firm in its practice offices
- 📖 Low cost reprints of your firm's chapter, at an excellent price, for use in your marketing and outreach programs. For example:
 - An Asia-Pacific firm picked up 50 copies of its chapter of the *Digest of Commercial Laws of the World* to distribute at an industry luncheon for US\$8.00 per copy plus shipping.
 - A European firm ordered 250 copies of its chapter to use in a business development mailing for a total of US\$1,575 including shipping.
- 📖 And, the opportunity to add Oceana publications to your firm's international library at a "contributors" special of 10% off the initial purchase price. And, if you place a standing order, you will receive **10% off all future releases** for the titles ordered

All-in-all, we believe, an exceptional package of benefits in return for your affiliation and work with Oceana Publications, Inc.

When you are ready to take advantage of any of the benefits listed above, contact us by mail, fax, email or phone and tell us how we can be of assistance. Be sure to mention the publication to which you contribute in order to claim any of the special pricing outlined above.
