### DESCRIPTION:

**Digest of Commercial Laws of the World** is a practitioner-oriented compilation of expert commentary written by lawyers who practice in each of the 47 jurisdictions covered. Each country's chapter is consistently structured around 22 points of comparison -- from foreign trade to real estate to competition and antitrust laws. In addition, valuable sample forms and original articles are included, as are the full text versions of important international treaties, agreements, and rules of international organizations that govern cross-border commercial transactions.

Sample forms and documents include:

- Corporate by-laws and articles of incorporation
- Sales and purchase contracts
- Commercial leases
- Industrial pledges
- Commercial real estate mortgages
- Assignment of copyright
- Software lease agreements
- Non-disclosure agreements

Timely, topical articles cover:

- Basic Contractual Issues
- Reducing Political Risk in Developing Countries: Bilateral Investment Treaties, Stabilization Clauses, and MIGA & OPIC Investment Insurance
- Export-Import Bank of the United States
- Bilateral Investment Treaties: The Second Wave
- A Fifty Year Perspective on World Petroleum Arrangements
- Regulatory Issues in Transnational Contract Planning
- United Nations Convention on Contracts for the International Sales of Goods
- Valuation of Assets in International Takings
- Personal Jurisdiction in Internet-Related Litigation
- UNCITRAL Model Law on Cross-Border Insolvency and Proposed Chapter 15 of United States Bankruptcy Code
